Skills

- **Languages**: Cpp, Java, Python
- **Data Science:** Data Cleaning & Preprocessing, Statistical Analysis, Data Visualization, Excel, Power BI
- **Tools/Platforms**: MySql, Tableau, Power bi, Excel
- **Soft Skills**: Solving, Adaptability, Active Listening, Communication

Projects

SkyPredict – Weather Forecast Model
May 2025 – Jul 2025

- Predicted the weather around you for the next 24 hours on the basis of information gathered from different sources.
- Pre-processed and analyzes the historical weather data using regression to identify patterns and improve prediction accuracy.
- Deployed the model using different platforms, enabling real-time weather predictions with interactive visualizations.

Tech: FLASK, Machine Learning, Data Visualization

Health Analysis Dashboard
Jan 2025 – Feb 2025

- Developed an interactive dashboard to visualize and analyze health data using Python (Pandas, Matplotlib, Seaborn).
- Implemented data cleaning, transformation, and normalization techniques for accurate insights.
- Designed visual reports displaying BMI trends, calorie intake, and exercise statistics.
- **Tech**: Python, Kaggle, Tableau Prep

U.S. Border Crossing Analysis
May 2025 – Jul 2025

- Cleaned and structured raw U.S. border crossing data using Pandas and NumPy for accurate and reliable analysis.
- Identified trends in people and vehicle movement across the U.S.–Mexico and U.S.–Canada borders over time.
- Visualized key patterns using Matplotlib and Seaborn to compare northern and southern border activity.
- **Tech**: Python, Pandas, NumPy, Matplotlib, Seaborn

Training

Java Fundamentals | Link
Jun 2025 – Jul 2025

- Gained hands-on experience in core Java concepts including OOP principles, classes & objects.
- Developed and tested Java programs using arrays, file handling, collections, and basic data structures, improving problem-solving and debugging skills.
- Applied exception handling and basic multithreading concepts to build efficient and reliable Java applications.

Tech : Java, OOP Concepts, Collections Framework, File Handling, Exception Handling.

Certificates

- Cloud Computing | Link — Jan 2025
- Computational Theory | Link — Sep 2024
- ChatGpt-4 Prompt Engineering | Link — Sep 2024

Achievements

- Earned a 4★ rating in C++ on HackerRank — Jan 2023 - Present
- Solved 100+ DSA problems on LeetCode. — Jan 2024 - Present

Education

Lovely Professional University — Phagwara, Punjab
Bachelor of Technology - Computer Science and Engineering; ***CGPA: 6.82*** — *Aug 2023 - Present*

- **Nirmala Convent High School** — Sonebhadra, Uttar Pradesh
  Intermediate; ***Percentage: 81%*** — *Apr 2021 - Mar 2022*
- **Nirmala Convent High School** — Sonebhadra, Uttar Pradesh
  Matriculation; ***Percentage: 86%*** — *Apr 2019 - Mar 2020*
